Watershed Coalition of the Lehigh Valley (WCLV)/Lower Delaware Wild & Scenic (LDW&S)– Jim/Lois–WCLV has nothing significant. They would like water monitoring by all standard equipment. Tony from Holland Township, across the Delaware in NJ, will present to the Durham BOS on June 10th concerning having Durham join the Delaware Wild & Scenic program.

Environmental Monitoring – Scott –The Brunswick gauge was buried with gravel.

Planning/Ordinances – Scott/Lois- Nothing to report.

Education /Growing Greener grant– Travis/Scott – Princeton Hydro has to finish the Growing Greener Grant. There may be a Mini Monster Mayhem at the River Valley School in October. There was a Mini Monster Mayhem with the 1st grade from Springfield Elementary School. Fry's Run Watershed has decided to present at the Riegelsville Library in September. They may have a Mini Monster session at Fry's Run Park. We will hear from them?

Old Business –

Annual Report and Annual Treasurer's Report – These reports were approved and will be placed in the Summer newsletter; motion by Sarah/Travis and approved 5-0.

New Business –

Mini Monsters June 14 – Scott will need some help for our event. Please join him.

Bioblitz report – This event was conducted at the Fuller Preserve with Heritage Conservancy and our Travis and Lois. Birds, fish, and plants were cataloged.

Minnow Report – While Travis was on the Fuller bioblitz he caught an eel. He has been on Coon Hollow Run and will get to 3-Maples Farm/Volker and Denise Oakey's in June. Lois will contact Andy Hanzlick, downstream on Coon Hollow, for another survey site. Four sites have been assessed to date.

Invertebrate Book \$35 each for us, how much should we charge? The book has been approved to go to the printer. Our cost is \$35 each for 100 copies; total is 125 pages. We will charge \$50 and it will have an ISBN number.
